A COMPLETE VEHICLE THEFT DETERRENT AND RECOVERY SOLUTION

According to the FBI, a motor vehicle is stolen every 46 seconds in the United States and the price of the precious metals in your catalytic converter are on the rise. Safeguard both yourself and your vehicle with our Theft Protection products. These not only help prevent theft but also aid in the recovery of your vehicle if it's stolen. Our theft deterrence products offer genuine peace of mind and may even fulfill your insurance carrier's requirements for anti-theft premium discounts.

Add-on: Commercial coverage available.

AVAILABLE OPTIONS

- ✓ **UV Body Panel Labels**
Leaves a permanent and unique code on a vehicle that is visible under UV light, deterring theft and allowing law enforcement agencies to identify the owner of a recovered vehicle.
- ✓ **GPS Tracking Device**
A device installed in a vehicle (some using the OBDII on-board diagnostic port) designed to transmit it's location using GPS satellites, allowing immediate location tracking and aiding in recovery.
- ✓ **Catalytic Converter Etching[†]**
Etching of the catalytic converter allows law enforcement to locate the owner if they have fallen victim to their catalytic converter being stolen and it has been recovered.

[†]Catalytic Converter Etching is not available in every state. Please contact your dealer for availability.

TOTAL LOSS BENEFITS

If a vehicle is stolen and not recovered, or if the vehicle is recovered but declared a total loss, you may be eligible for a benefit to be used towards:

- ✓ The purchase or lease of a replacement vehicle.
- ✓ Payment of theft protection expenses, including your primary insurance deductible, rental costs, and travel expenses.
